CERTIFICATE

Shirley Technologies Ltd

Unit 12, Westpoint Enterprise Park,
Clarence Avenue, Trafford Park, Manchester, M17 1QS
United Kingdom
Institute of the International Association
for Research and Testing in the Field of Textile Ecology

The company
Huqas Corporation
P-351 Punj Pulli
Ismail Road
Faisalabad, PAKISTAN

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 38126**

**CONFIDENCE
IN TEXTILES**

Tested for harmful substances
according to Oeko-Tex® Standard 100

11-30235 Shirley

for the following articles:

Bleached, dyed, pigment printed and finished woven 100% cotton and polyester/cotton fabrics. May include flame retardant finished fabrics where the flame retardant is accepted by the Oeko-Tex® Association. Based on pre-certified material according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, product class II have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA, with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17650-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 05.12.2015
Manchester, 17.02.2015
